POSITION STATEMENT - INDIGENOUS RECONCILIATION

Hunters for BC – SCI statement on “***Reconciliation***” April 27, 2021.

The following statement mirrors that which is contained within the Fish, Wildlife and Habitat Coalition Terms of Reference (TOR) dated February 17, 2021.

Hunters for BC – SCI Board of Directors endorsed the following statement at its Board Meeting on April 27, 2021.

Reconciliation in BC

Hunters for BC – SCI - recognizes and respects the constitutionally protected rights of Indigenous peoples and our collective commitment to advancing reconciliation in British Columbia. We will support the process of reconciliation between Indigenous and non-Indigenous peoples, by seeking agreement on the protection, enhancement and utilization of fish, wildlife, and habitat.
